12th August 2022

Dear Minister,

**The Jersey Care Model**

Thank you for your letter dated 2nd August 2022, which provided an update on the Jersey Care Model (JCM) and an explanation for your decision to 'pause' the programme.

The Panel has considered your response and would like to ask further questions, which we hope you can assist with. These are as follows:

- How many members of staff are currently employed within the Health and Community Services Department to deliver the JCM programme and what work are they undertaking during this period of 'pause'?
- How much has been spent on delivering the JCM to date and what has the money been spent on? (Including a breakdown)

Please can you also provide an up-to-date organisational chart of the team working on the delivery of the JCM programme.

We would ask that you provide a response by 19th August 2022. If you have problems with this timeframe, please let me know.

Thank you in advance for your assistance on the matter.

Yours sincerely,

Deputy Geoff Southern  
**Chair**  
**Health and Social Security Scrutiny Panel**
