Dear Minister,

Morocco Earthquake

Following the sad news of the devastating earthquake to have taken place in Morocco recently, I am writing to ascertain what action you are undertaking to offer support to the impacted regions.

Noting that previously, as in the case with the Aid Fund for North Syria, areas impacted by such events have at times already been within scope of the work of the Jersey Overseas Aid Commission, please can you outline:

1. How you will be identifying if aid is required in Morocco?
2. What provision of aid is available in such instances if required?
3. If aid funding has been, or is envisaged to be, allocated to Morocco at this time?

We would be grateful if you could respond to this no later than Monday 30th September 2023 in line with the 5 working days approved for responses between Scrutiny Panels and Ministers.

If you have any questions regarding this or our work in general, please do not hesitate to contact me.

Yours sincerely,

Deputy Moz Scott
Chair
Economic and International Affairs Scrutiny Panel
