Dear Deputy Binet,

Enid Quenault Health and Wellbeing Centre – completion update and access audit

As part of its review of the New HealthCare Facilities Programme, the Panel would be grateful for the following information in relation to the Enid Quenault Health and Wellbeing Centre (the former Les Quennevais School).

Firstly, please could you provide:

- the date on which construction at the site will be completed and the building will be handed over to Health and Community Services?
- the date on which it is anticipated that the transition of services to the centre will be completed?

Please could you also confirm that an access audit was completed for the centre and associated parking and public transport access and could this document be made available to the Panel, confidentially if necessary?

Yours sincerely
