Health and Social Security Panel

Health and Community Services Interim Board

Dear Minister,

The Panel notes your decision to defer the debate of P.19/2023 until the States week commencing 13th June 2023. Whilst we understand that you have delayed the debate “*to allow additional time for States Members to review the proposals*”, we would be grateful if you were able to expand on the reasons for the Panel’s benefit. For instance, are there any particular concerns or queries you have received from States Members, COM, or members of the public which you feel need to be addressed before the debate? Or were you specifically asked by a States Member to defer the debate following consideration of the Proposition?

We would be grateful if you could provide a response by Friday 19th May.

Yours sincerely,

Deputy Rob Ward
Chair, Health and Social Security Scrutiny Panel
