Dear Minister,

**Corporate Services Scrutiny Panel**

**States Owned Entities: Remuneration**

The Panel met this morning and discussed your role as shareholder representative and Minister with political responsibility for the wholly owned States Owned Entities and also reflected upon their remuneration process in respect of the Executive and Chair positions held.

For a comparative analysis, the Panel requests a table detailing the remuneration packages for the Chief Executive Officer (CEO) and Chair positions held for all States Owned Entities covering the preceding 5-year period (2019-2023). The Panel requests that the information provided is clearly itemised to detail the following for the CEO and Chair positions over that period:

- Salary
- Performance related pay and bonuses
- Pension contribution
- Any other benefits (please specify)

At the time of writing, the Panel also notes that the States of Jersey Development Company Annual Report 2023 has not yet been presented to the States Assembly. The Panel, therefore, also requests clarification on whether the Annual Report 2023 has been finalised and the timeline for the presentation thereof.

The Panel would appreciate to receive a formal written response detailing this information by no later than **Tuesday 9<sup>th</sup> July 2024**. Please be aware that it is the Panel's intention to publish the response it receives on the States Assembly Website.

Yours Sincerely,

Deputy Helen Miles  
**Chair**
