Dear Minister,

Economic and International Affairs Scrutiny Panel
Acceptance of Cash Payments Review

I write to inform you that the Economic and International Affairs Scrutiny Panel has agreed to undertake a review on Acceptance of Cash Payments in the local economy, having identified this as an area following public interests in the topic. Noting the implications for consumers, businesses and the wider economy we have identified that you would likely be best placed to serve as Ministerial representative, however the Panel will share this letter with the Chief Minister and Minister for Treasury and Resources for their awareness. Attached to this letter are the Terms of Reference for the Panel's review.

Our Officer will be in touch with your department in due course to request any relevant documentation and to arrange a Public Hearing with you on this matter. We intend to invite submissions from relevant stakeholders, and we will publicise our review so that members of the public can submit information or views.

We look forward to working with you and thank you in anticipation of your assistance on this issue.

Yours sincerely,

Deputy Montfort Tadier
Chair
Economic and International Affairs Scrutiny Panel
