For your reference, the terms of reference of the review are as follows:

1. To review components of the Government Plan 2024-2027 Proposition [[P.72/2023](#)] which are relevant to the Children, Education and Home Affairs Scrutiny Panel to determine the following:
 - a) The impact of the Government Plan proposals on departmental budgets, savings and staffing levels.
 - b) Whether the revenue expenditure growth, capital and other projects are appropriate and likely to have a positive impact on Islanders and Island life.
 - c) How the proposed revenue expenditure growth, capital and other projects align with the Common Strategic Policy to deliver on the priorities, and with the objectives of the Ministerial Plans.
 - d) Whether the resources allocated to revenue expenditure growth and capital and other projects are sufficient, ensure value for money and demonstrate best use of public funds.
 - e) The impact of the Government Plan proposals on the Criminal Offences Confiscation Fund.

Thank you in advance for your assistance on this matter. Our officers will be in touch shortly, with regards to arrangements for public hearings. Please note that we also intend to invite submissions from relevant stakeholders and members of the public for this review.
