Dear Chief Minister,

Corporate Services Scrutiny Panel

People and Culture Follow-up Review – Call for Evidence

I write in your capacity as Chair of the States Employment Board. As you are aware, the Corporate Services Scrutiny Panel has commenced its People and Culture Follow-up review. We are currently gathering evidence relating to our review and have requested views from targeted stakeholders and issued a call for evidence to engage with all members of our community.

Although the call for evidence is open to everyone, we are mindful to ensure that the voice of the employee is heard. In that regard, with your permission, we would like our review to be advertised on the States intranet (My States). As such, I would appreciate if you could please advise whether this would be possible and, if so, the appropriate process to follow.

The Panel would appreciate to receive a formal written response by **Thursday 10th August 2023**. Please note that all written responses will be uploaded to the States Assembly [website](#) as a matter of course with the exception of any information received under a confidential or private agreement.

Thank you in advance for your assistance on this matter.

Yours sincerely,

Deputy Sam Mézec
Chair, Corporate Services Scrutiny Panel.
