Dear Deputy Ahier

REVIEW OF THE 2019 DRAFT BUDGET STATEMENT

The Jersey Motor Trades Federation welcomes the opportunity to offer comment on the 2019 Budget proposals.

The Federation's view is that we have no issues with the Impôt duty proposals nor do we with the Business tax proposals.

However, we do note that while the Treasury Minister has declared that there will be no increase in the VED rates for 2019, she is proposing that a review take place of the taxation of car ownership and usage (including fuel duty) for the 2020 Budget. Therefore because of the potential impact on vehicle sales and the motor trade in general of any significant tax differences from the current situation we do expect to be fully involved in all consultation processes.

Yours sincerely
