

Parish of St Clément

Deputy G P Southern
Health, Social Security & Housing Scrutiny Panel
Morier House
St Helier
JE1 1DD

Your ref: 517/17(5)

10 June 2011

Dear Geoff

Waiting Lists for Social Housing

Thank you for your letter of June 2 and I am pleased to offer the following answers to your questions:-

- 1) What social housing, if any, is provided by your Parish?

Currently no social housing is provided by this Parish. However this is likely to change when the retirement home development on Field 274, St Clement is completed. I am advised that construction is scheduled to commence in August.

- 2) How does your Parish work with the Department of Housing, particularly in relation to the allocation of social housing to applicants?

This is not something we are generally involved with. However, in particular cases our Community Support Team or I will make representations to the Department by whom we are well received.

- 3) What involvement have you had in the development of the Affordable Housing Gateway?

None.

- 4) How will the implementation of the Gateway (as a single access point to social housing) impact upon the work of your Parish?

I am not aware of the details of the Gateway but do not anticipate any impact on our own project.

If I can be of further assistance please let me know.

Best wishes and kind regards

Yours sincerely
