

Dear Deputy Renouf,

I refer to your letter of 20th January, 2017 and would advise the following on behalf of St Vincent de Paul Society.

1. We have not noted any prevalent issues, nor have we had to offer additional support above what we would normally provide (food/electricity/occasional small bills).
2. Since 1st January, 2016 we have received 15 requests for assistance from new single parents. We have a total of 24 single parents on our books from a total of 201 clients.
3. We have not been advised of any particular difficulties encountered by single parent families.

I trust this information is of help. Should you require any additional information, please let me know.

Yours sincerely,

President, S.V.P.
